(d.) MILITARY SUBORDINATES.

154. Military subordinates will be paid on the detachment or company form of pay list (Army Form O 1506), which will be forwarded as a voucher to the accounts.

(e.) CIVILIAN SUBORDINATES.

155. Civilian subordinates (including those employed in the Royal Army Clothing Department, the Ordnance Factories and other departments at Woolwich, &c., not included in Army commands) will, unless otherwise directed by the War Office, be paid on the check-book (A.B. 188 or 63 or special form), except where their number is small, in which case a pay list (Army Form O 1608) may be used instead. Decision on this point will be left to the discretion of the major-general (or brigadier-general) in charge of administration with the concurrence of the chief accountant.

156. The check-book, or pay list, on which wages are to be paid, will be prepared and certified by the officer under whom the work has been performed.

157. When wages are paid on a pay list the receipts of the payees will be taken, unless it is found more convenient to adopt the system of payment in the presence of two witnesses, in which case a certificate in the form prescribed by paragraph 158 will be given on the pay list.

The pay list will be attached as a voucher to the accounts in which the wages are charged.

158. When payments are made on the check-book, the latter will be brought to the pay-table, and, except in the case of Pimlico, Woolwich Arsenal and Dockyard, Enfield, Waltham, and the Inspection Department at Enfield, the payments will be certified on the check-book by two witnesses, as follows:—

"We certify that the amount shown against the name of each of the above mentioned persons for the week ended _____, has been duly paid in our presence to the man himself, or to the person authorized by him in writing to receive it, with the exception of the sum of _____ on account of wages unclaimed."

One of the witnesses should, when practicable, be the officer under whom the men are serving, or, in his absence, the foreman, and the paying officer may be the other.

The check-book will be retained by the officer under whom the men are serving, but must be produced for audit when required.

159. The total amount due according to the check-book will be entered on the wages certificate (Army Form O 1615), which will be signed by the officer under whom the men are serving and passed to the paying officer on the check-book. After payment, the wages certificate will be signed by the paying officer and by the witnesses, forwarded to the chief (or other) accountant as soon as possible after the end of each week as a voucher in support of the charge in the accounts.

The chief (or other) accountant, in auditing the accounts, will, from time to time, call for the check-book which the cash payments have been made, for the purpose of comparing them with the wages certificate rendered to him. Note will be taken of the occasions when these comparisons have been effected.

The paying officer will take charge of all unclaimed wages, and when these are subsequently claimed, payment will be made in the presence of an officer.

Wages remaining unclaimed on the last day of the period of any account will not be charged against the pay in that account, but will be shown in the space provided for the purpose on the pay lists (Army Form O 1506 or O 1326) or wages certificate, as the case may be. When subsequently paid, the charge against the public will be supported by a reference to the voucher of the account in which the wages were shown as unclaimed.

If from any cause it is impossible to make the payment at the time, a claim for the fee will be forwarded to the nearest regimental accountant. These claims, except in cases of doubt or difficulty, will be forwarded to the nearest regimental accountant without previous reference to the War Office, and the amounts will be paid by him on his accounts, subject to audit, the charge being supported by the following vouchers:—

-) A certificate of the paying officer that the payment has been made.
-) A statement signed by the competent military authority that process was applied for, or the proceedings adopted by him, or on his behalf.
-) In England and Wales, a certificate of the paying officer that the rates charged accord with the local scale approved by the Home Office; in Scotland, that they accord with the scale shown in Schedule A of the Summary Jurisdiction (Scotland) Act, 1881, or in the Act of Sederunt of the Court of Session dated 24th November, 1905.

and, the fees will be settled in the manner prescribed by the King's Regulations.

2. UNITS PROCEEDING TO INDIA (ORDINARY RELIEFS).

When a unit of cavalry or infantry proceeds to India, as an ordinary relief, an officer will be appointed to master from the date of embarkation. (See also paragraph 58 and Appendix I.)

Officers commanding companies, &c., will render to the accountant of the station from which they proceed as possible after embarkation, pay and mess books for the period preceding the date of embarkation.

The officer commanding will at the same time transmit to the accountant a nominal roll (A.F. O. 1668) of the men actually embark. The accountant, after entering the soldiers' rates of pay and dates of enlistment, will forward the roll to the chief accountant of the command, or where there is no chief accountant, to the War Office. It will then be certified and forwarded to the officer commanding the unit, who will render it to the local authorities in India.

The officer commanding will, on arrival in India, furnish the Indian Pay Department with a copy of the roll, the rates of pay, &c., being entered from the pay and mess books.

The accountant will forward to the officer commanding a balance sheet (A.F. N 1501) showing the net due to or by the officer commanding each squadron or company.

When the balance sheet shows a net balance due to the accountant, he will instruct the officer commanding to amount of such balance to the War Office in the first remittance return rendered after the receipt of the roll. The accountant will charge the amount of the balance due from the unit in the general state of his account under the head of "Claims against corps on transfer to the Indian establishment," annexing a copy of the balance sheet referred to in paragraph 331, and a certificate that the officer commanding in India has been directed to remit the money to the War Office as directed above.

When the balance sheet shows a net balance due from the accountant, the amount will be remitted under paragraph 231.

GENERAL INSTRUCTIONS.

A claim against a unit proceeding to India received after its embarkation will be forwarded to the officer commanding the unit at the time of embarkation, who will notify the amount to the officer commanding the unit, request him to remit the amount home in the next miscellaneous remittance return. The accountant will at the same time report the amount of the claim, with particulars, to the War Office, where steps will be taken for the necessary credit.

3. UNITS RETURNING FROM INDIA (ORDINARY RELIEFS).

On the day of arrival of the ship in port at home, or of disembarkation at a station abroad, the unit will be paid by the accountant of the station at which it is quartered on disembarkation. In the event of the unit proceeding from India to a station in the Colonies or to Egypt, the amount required for the pay, &c., of the voyage will be issued in arrear by such accountant.

A pay list for the period of the voyage from India to United Kingdom will be forwarded to the Indian Pay Department, for examination. The duplicate pay list will be retained by the unit. The pay list for the period from India to a station in the colonies, or to Egypt, will be examined by the accountant of the station at which the unit is quartered on disembarkation, with the aid of the nominal roll forwarded to him by the War Office. The total amounts charged and credited in the pay list will be entered in the general state, under the heading "Indian Government."

Paragraphs 325, 336, 337, 339 and 344, and Appendix I., will remain in force until the Indian Government adopt the Dover system of payment.

*339. When a unit returning home from India disembarks at a station in the colonies or Egypt, the amount of pay required for the period of the voyage should be issued by the accountant of the station and charged to the monthly account under the head of "Indian Government, Regimental advances." A notification of the amount of such advance and the date of issue should be at once sent by the accountant to the Under Secretary of State, India, India Office, London, and the pay lists for the period of the voyage up to and for the day preceding that of disembarkation will be rendered to that department for examination in the same way as if the unit had proceeded home direct from India.

4. UNITS PROCEEDING TO OR FROM INDIA AS SPECIAL INDO-COLONIAL RELIEF AT IMPERIAL EXPENSE.

340. Whenever special reliefs between a colony and India are to be made at Imperial expense, a notification will be sent by the War Office. The voyage period will count as British and not as Indian service for deferred pension purposes.

341. When the unit proceeds from a colony to India the pay and mess books for the voyage period will be rendered to the accountant by whom the unit was paid before embarkation. These pay and mess books will be prepared on A.F. N 1504 A, one pay and mess book being rendered for each company for the period commencing on the first of the month in which the company embarks and ending on the day of disembarkation.

343. No acting paymaster will be appointed for the unit until it arrives in India. The nominal amounts of paragraphs 337 and 338 of the officers and men who disembark in India, will be rendered by the officer commanding.

*344. When the unit proceeds from India to a colony the company, &c., pay lists from the date of embarkation will be rendered to the accountant of the colony to which the unit is being moved, in accordance with paragraphs 337 and the total charges and credits will be carried to the vote headings in the general state (A.F. N 1504). The pay lists should be made up to the end of the month in which the voyage terminates.

6. The following will be added to paragraph 1 of the instructions on page 85 (as amended by Army Order 11906) :-

In the case of an advance to a unit proceeding from a station abroad, the accountant will at once send to the India Office the amount and date of the advance, and will recover it from the India Office through the War Office. OSBORNE, ISLE OF WIGHT.

Convalescent Home for Officers of the Navy and Army presented to the Nation by His Majesty the King.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Army, recommendations for admission or application from officers themselves, whether on the home or foreign establishment, should be sent direct to the Director-General, Army Medical Service, War Office, Whitehall, S.W. A medical statement of the case should be enclosed.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 43 officers, 5 of whom will be accompanied by their wives. Children will not be allowed to reside in Osborne.

The entire daily stoppage to be paid will be 2s. 6d. per diem for the officer or his wife.

Medical attendance is free; but in certain cases requiring massage, special nursing, or other special measures, a charge will be made to meet the cost.

The duration of the stay of officers at Osborne will be determined by the House Governor and Medical Superintendent and the Commandant on duty for the month, subject to the approval of the Director-General, Army Medical Service.

Retired officers of the Navy and Army are admitted into Osborne under the following conditions:—

- a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.
- b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."
- c. That the officer has retired from the Service within five years from the date of the application for admission.
- d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

H.R.H. THE DUCHESS OF CONNAUGHT.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, W.; by the Secretary, Colonel E. L. F. Jennings, M.V.O., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Superintendent, Mr. S. Anderson, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement. The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each session to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Mondays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND, BRITISH SERVICE.

(Late Queen's Military Widows' Fund.)

The Military Widows' Fund, British Service, was established in 1820 to alleviate the distress of families of officers of the British Service and to enable them to return to England without unnecessary delay. Whenever an officer of the British Service, who is a subscriber to this Fund, dies, his family receives at once, the following assistance, namely:—Six months maintenance allowance ranging from Rs. 2,400/ to Rs. 3,600/, according to rate subscribed, plus Rs. 1,500/ for passage for the widow, plus Rs. 500/ or Rs. 300/ for passage for each child, according to whether it is over or under 12 years of age. These benefits are secured by a small subscription of Rs. 4, 3, or 2 per annum, which is regulated by the amount of pay an officer draws. An officer, immediately on becoming a subscriber, secures at once for his wife and children, quite irrespective of length of service in India, the full benefits of the Fund in case of his death.

In 1902 the sum of Rs. 31,200/ was paid in awards to families of deceased subscribers; and the total amount paid since the establishment of the Fund in 1820 exceeds Rs. 22,00,000/.

Copies of the Regulations of the Fund can be obtained from the Honorary Secretary at Simla.
